PETITION TO CORRECT INVENTORSHIP
UNDER 37 CFR § 1.48

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to 37 CFR § 1.48(a)(1), this Petition requests the deletion of Robyn L. Adams and Anna C. Jelmborg as inventors of the above-identified application. Applicants had previously attempted to correct inventorship in the November 26, 2001 Preliminary Amendment by deleting Robyn L. Adams, Anna C. Jelmborg, Stephen K. Jaspers and Mike Stamm. However, Applicants' attempt did not comply with the requirements under 37 CFR § 1.48(a)(1). Furthermore, Applicants also incorrectly identified those inventors which should be deleted in light of the subject matter of the claims being currently prosecuted. Thus, Applicants assert that only Robyn L. Adams and Anna C. Jelmborg should be deleted.

Accordingly, Applicants enclose the following documents in support of the Petition to Correct Inventorship Under 37 CFR § 1.48(a)(1):

1. Statements of Robyn L. Adams and Anna C. Jelmborg,
2. Four Combined Declarations and Powers of Attorney for the actual inventors, and
3. Written consent of assignee.

The Statements of Robyn L. Adams and Anna C. Jelmborg establish that the error in naming original inventors was made without deceptive intention.

Please charge the required fee, estimated to be \$130.00, to Deposit Account No. 26-0290. A duplicate of this sheet is enclosed.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Shelby J. Walker".
